President's Message

Please don't forget about the Florida Laryngectomee Association meeting in Daytona on Oct 31 – Nov 2. It will help to improve your speech, let you meet vendors and see their wares firsthand and just have a good time.

Our club reminds me of a duck serenely crossing a lake. It moves so smoothly that sometimes you forget that it paddling like crazy to just keep moving forward.

We have so many people paddling. Mike keeping up the roster, Earl visiting patients and speaking to groups, Wini doing a bunch of things to keep us going, Gary and Joe teaching our SLP students, the board members donating their time. The list goes on and on. We couldn't do it without this kind of people

When a Coral Springs student under age 18 is caught with any form of tobacco they are cited and fined \$25.00 dollars, pay \$25.00 court costs and pay \$25.00 to attend a no smoking seminar conducted by the Coral Springs Police Department. Guess who has been a guest lecturer for the past eight years? Our friend Earl Mogk.

October's Meeting will be on The 19th at the Senior Center to the left of the library. This is a new "Permanent" location since the library will be closed for an indefinite period. Come in Park Road and turn left at 10th Street

He did his thing on September 13, and he was dynamite. Earl uses visual aids, a laid-back style and he's very effective. In comment sheets handed in by the kids, he is almost always mentioned as something they like most about the program.

Nice job, Earl

CLUB NEWS

Our club is helping to support Pinecrest Rehabilitation in Delray Beach. On September 29th Doris Littlefield wrote to tell me that she was home from rehabilitation at Pinecrest. On October 8th Barb Gellman called to say she is going to Pinecrest on the 9th. Barb went to Boca Community Hospital on October 4th and had two MRI's. The diagnosis was a shattered not a broken pelvis. Still, no surgery; just rehab. We wish them both our best. Roz Stern is also on the injured list from a fall. Nothing broken, just sore.

Our club received a generous donation from Abe Nacheman. Thanks Abe.

Barb Gellman won't be on the Jungle Queen Cruise so Doris Shadd is taking over her duties for the cruise. Barbara plans to attend the Holiday Party on December 7th and she is still taking names for the party. Thanks Barb for all the things that you do for the club.

Thank you Joann Leahy, you were a great speaker and we appreciated being brought up to date on the events planned for UM Sylvester/Deerfield. We'll bring you back again. Penny Fisher will have her Head and Neck Cancer Support Group meeting at Deerfield on October 22 from 1:30-3:30PM

Refreshments were provided by the Mogks and Kilmers.

Bonnie's meeting on the 2nd went well. We were introduced to a new SLP on her staff, Pasquale Bourne. Pasquale used to be at Moffitt Center in Tampa, so she has a lot of experience with laryngectomees. Nine of us were there including Richard Willenborg who had his surgery on August 18th. He is already speaking very clearly, a tribute to practice. Morty Stern was there using a Servox. He has been weaned from his speaking computer.
