President's Message

First some housekeeping items. The meeting has been moved again (about 100 feet to the left) in the main building of the Community Center. Walk through the double doors and turn right

The Plantation Relay for Life Survivors Dinner will be on Friday March 19th at 7:00PM and registration will start at 5:00PM. Let's have another great turnout for the Survivors Lap like we had last year.

The Executive Committee of the F-L-A just completed one of its semi-annual meetings and we look forward to a great session in Daytona Beach starting Friday October 29th and ending Sunday morning October 31st. It will be a two day meeting with a "Goodbye Breakfast" on Sunday. Speakers are not all finalized but we will have Dr. Ed Stone who is famous in his field as a Speech Pathology leader. Mark Winfrock, one of our vendors who is also a respiratory specialist and Jim Lauder, another vendor who will speak about some brand new Siemens Electrolarynges. Our Medical Advisor, John Salassa, MD will speak about advances in laser surgery and then will have a 30 minute "All the questions I was afraid to ask my surgeon" session for the participants.

The March Meeting will be on the 28th at the Community Center at 6199 NW. 10th St. The room will be in the main building to the left of our last meeting place. Go in the double doors and turn right
